Dear Friend,

Kenai Watershed Forum's 2010 Kenai River Festival was a huge success. We partnered with KDLL to bring the first Rockin' the River concert to the Soldotna Creek Park. It turned out to be a great duo and brought more people than ever before out to celebrate our amazing resource, the Kenai River. This year with the renovation of Soldotna Creek Park, we are excited to the new opportunities, facilities, and layout of the area. We will be the first big festival of the summer to use the new facilities and many visitors will be seeing the new park for the first time. The popularity of the festival grows every year and we are excited to invite you to join us.

The **Kenai River Festival** grew out of our desire to provide a free, fun setting for the community to learn more about the river, how we impact it by our activities, and what we can do to keep it healthy and productive for generations to come. Each year at the festival, information about our rivers and other unique local natural resources are shared through a wide variety of hands-on learning activities for youth. 2010's event was fantastic with an estimated 10,000 people in attendance. Your support helped make this happen and we need your continued support this year!

Your organization would participate in the festival through the creation of booth focused towards a free, educational experience for the youth of the Peninsula. Your participation in this community event is extremely important. We are available to help you develop your educational activity and locate resources and materials. Please consider joining us for this celebration!

As in years past, there will be tent space with tables and chairs provided for your booth or display, if needed. Please see the attached registration form for more information. Set up times will be Friday afternoon (before the music starts) and Saturday morning starting at 8am. Please plan to staff your booth or display area from 11:00 am to 5:00 pm on Saturday, June 11th and 11:00am – 4:00 pm Sunday, June 12th.

Please let us know, by filling out and returning the attached form, if you will be participating. Feel free to contact me if you have any questions, email is best. We look forward to another great festival and hope you will be able to join us!

Sincerely,

Anna Fisher
